How to Access a Live Event on the TACHC Learning Hub

1. After completing registration on the TACHC website, you will receive an email notification from the TACHC Learning Hub with the subject line: “You have just been enrolled….” This notification includes a calendar invite that can be opened and saved.

Open Calendar Invite and Save

Direct Link to the Course

2. To access the Learning Hub, you must be logged into the TACHC website.

3. Once logged in, you'll be redirected to your course on the Learning Hub.

4. Click the little blue arrow shape referenced above to see the Zoom Webinar Details. Note, the "Join the Webinar" button will only appear 15 minutes before the event begins.

5. To access course content, please click on the content tab. You can download all of the associated materials of the course in this section. If available, a download all option will appear.

Issues or errors? Please send an email to learninghub@tachc.org or call 512-329-5959.
