

TRI STATE DISTRIBUTION

The New Leader in Prescription Packaging Products.

For years independent pharmacies have benefited from the convenience of consolidating pharmaceutical purchases from a single source. TSD now makes the same benefits and savings available on your prescription packaging products. TSD is the nation's first manufacturer of all prescription packaging product groups - vials, bottles, printer ribbons, laser printer cartridges and now labels. Combine your purchases in all 3 categories and receive unprecedented savings!

FREE LASER PRINTER CARTRIDGES!

- Buy TSD vials and save money along with additional convenience and versatility.

- Quality labels of all sizes and types, priced to help you save!

- If you buy TSD vials and labels, TSD will supply you with Lexmark, HP, or Kyocera laser printer cartridges for FREE.*

- **SAVE THOUSANDS** per year, every year!

* Not all printer models from each manufacturer are supported by TSD. Contact your TSD representative for information on specific printer models supported by TSD in our program.
