

TACHC

— TEXAS ASSOCIATION OF —
COMMUNITY HEALTH CENTERS

MEMBERSHIP BENEFITS

OVERVIEW

Texas Association of Community Health Centers (TACHC) is the state's primary care association with a mission to strengthen and support community health centers by speaking with a unified voice and driving healthcare transformation by exemplifying innovation, access, and equity.

TACHC is constantly implementing new and innovative programs and products to assist members in providing high-quality health care services to communities in Texas. Our programs and products address the specific needs of administrators, clinicians, and other staff at centers. As a result, center staff can access many services and educational resources, which may not be available to them individually.

OPERATIONS AND FINANCE

TACHC provides technical assistance and training to existing health centers to sustain and grow access to healthcare. TACHC also provides guidance to communities considering FQHC development as an option to increase access to quality, affordable healthcare services.

-  **Financial Sustainability**
-  **Compliance Support**
-  **Service Excellence**
-  **Outreach and Enrollment**
-  **Emergency Preparations**
-  **Strategic Planning**

WORKFORCE DEVELOPMENT

TACHC's Recruitment and Retention (R&R) Team serves as a valued resource for members by assisting with recruiting high quality healthcare professionals and improving overall staff retention. The Health Workforce Development Program at TACHC supports the Health Professions Education and Training (HP-ET) initiative funded by HRSA and assists health centers' readiness to engage and/or enhance health professions training programs at health centers.

- 🌱 **Recruitment and Retention***
- 🌱 **Health Professional Education and Training (HP-ET)**
- 🌱 **Leadership Development Series**

***COSTS:** \$10,000 per placement (two installments), \$5,000 due when placement is made, \$5,000 due after 90-day probationary period.

VALUE-BASED PERSON-FOCUSED CARE

TACHC supports health centers by promoting practice models that deepen integrated care, improve clinical quality, and transform practices to transition from volume to value.

- 🌱 **Value-Based Care Support and Strategic Guidance**
- 🌱 **Health Center Controlled Network (HCCN)**
- 🌱 **Remote Patient Monitoring**
- 🌱 **Telemedicine/Telehealth**
- 🌱 **The Optimizing Clinical Care (OC³) Program**
- 🌱 **Patient Centered Medical Home (PCMH)**
- 🌱 **Trauma Informed Care Program**
