Upcoming Events

[TACHC 30th Annual Conference](#)

October 7-9, 2013, Hilton Austin Hotel

Hotel Reservations are OPEN. As a friendly reminder, the cutoff date is **Tuesday, September 3, 2013**. Call the Hilton central reservations line directly (1-800-236-1592) and reference the group, **TACHC's Annual Conference**, or the group code, **CHC**, in order to receive the group rate of \$194 single/double over the contracted event dates, or you may click [HERE](#) to do so online.

Reserve early, as the TACHC conference is in the middle of both Austin City Limits Festival weekends!

IMPORTANT: Housing Policy

In an effort to ensure that our hotel is able to accept the maximum number of reservations, TACHC has implemented the following housing policies:

- Each reservation must have a unique name attached to it. No person may book more than one room in his/her name.
- A deposit of one night's room and tax will be taken at the time of booking in order to guarantee your reservation.
- Should you need to cancel, cancellations must be made 15 days in advance in order to be refunded your deposit.
- Cancellations within 15 days prior to your arrival date, deposits are non-refundable unless the hotel is able to resell your canceled room.

Click [HERE](#) to find an event agenda outline. For questions or assistance, please contact [TaSheena Mitchell, TACHC Meeting Coordinator](#).

Information regarding all upcoming events hosted by TACHC can be found [HERE](#).

1. HHSC Community Partner Program Enrollment: Due to HRSA’s recent announcement about the availability of Outreach & Enrollment funds for health centers to increase in-reach, as well as outreach activities, it is even more critical that your health center sign up for the [Community Partner Program](#). Both CMS and HHSC are advocating for online systems to facilitate enrollment in affordable insurance coverage either through the Marketplace and/or CHIP and Medicaid. This is also a prerequisite if you are a participating health center in TACHC’s proposal for the CMS Federal Navigator grant. Open enrollment for the federal health exchanges begins **October 1st**; therefore, it is important to get your health center signed up for the Community Partner Program *now* to be onboard and ready to utilize both systems. To submit your request, simply fill out an [online interest form](#). If you have more than one site that you would like to sign up, please be aware that **a separate interest form will be needed for each site**. For more information about the Community Partner Program, contact [RexAnn Shotwell, Community Partner Program Project Manager](#) at TACHC.

2. TACHC Statewide Financial Trends and Analysis Report: On Wednesday, July 10th TACHC introduced its new statewide financial trends and analysis report. A statewide comparison of 19 key performance measures has been prepared. The measures include key indicators on liquidity, profitability and operations. The five HRSA required measures are also included. Individual center comparison reports were also released to those center who provided the requested documents. Provided is a link to the audio from the [webinar](#) and a link to the [slide presentation](#). Please contact either Daniel Diaz (ddiaz@tachc.org) or Nancy Gilliam (ngilliam@tachc.org) if you have any questions.

3. TACHC Health Reform FAQ: Want to better understand the Affordable Care Act (ACA) and its impact on Texans? Let TACHC answer your questions. “Like” TACHC on Facebook and comment on our post asking what you most want to know about ACA. We’ll compile your questions and answer some of the most common ones. 1. CDN Psychiatric Medications and Pregnancy Webcast: The Clinical Directors Network (CDN) is sponsoring a free webcast on **July 23, 2013 2:00-3:00 PM EDT**. The speaker will be Ariela Frieder, MD, Psychiatrist, Comprehensive Family Care Center, Montefiore Medical Group. The webcast will review the risks and benefits of taking psychiatric medications during pregnancy. Attendees will learn what the best treatment option is for a given pregnant woman and identify the risks of psychiatric medication during pregnancy versus the risks of mental illness during pregnancy. To register and for more information ["Click Here"](#).

2. CDN Preparing for Meaningful Use Stage 2 Webcast: The Clinical Directors Network (CDN) is sponsoring a **free webcast on July 30, 2013 2:00-3:00 PM EDT** to help you prepare for Meaningful Use Stage 2. Presenters will be Tanya Larso, Director of Consulting Services and Technical Assistance, Alliance of Chicago Community Health Services and Tim Long, MD, Chief Clinical Officer, Alliance of Chicago Community Health Services. For more information or to register you can ["Click Here"](#).

3. NACHC CHI Pre Conference Training Session “Building Health Center Capacity for Research and Quality Improvement”: NACHC CHI Pre Conference Training Session: **Building Health Center Capacity for Research and Quality Improvement**”: On Thursday, August 22nd from 8:00 am – 5:30 pm (immediately before the CHI) at the Hyatt Regency Chicago, NACHC is hosting a day-long training to build the skills and infrastructure necessary to collect and use data from EHR to improve care and test interventions. Participants will learn from and network with health center leaders who have successfully built research activities into their programs on how to use your EHR to improve care. **Please note these trainings are not included in the CHI registration fees. You must register for the CHI if you are planning to attend. For more information, agenda, and registration links: ["Click Here"](#)** or contact Michelle Jester, Research Project Specialist at mjester@nachc.org or 202-331-4609.

4. March of Dimes RFP Announcement: Premature birth is the leading cause of newborn death worldwide. Even babies born just a few weeks too soon can face serious health challenges and are at risk of lifelong disabilities. There are TWO applications available for CenteringPregnancy, one for sites seeking start-up funds and one for sites currently implementing CenteringPregnancy, as well as an application for implementing the Becoming a Mom/Comenzando Bien Program. Funding applications will support: interventions that address health disparities in African-American and Hispanic populations in Texas that will decrease prematurity, infant mortality and birth defects, providing or enhancing **premature birth risk reduction** education and/or services. Risk reduction projects include, but are not limited to: implementing community programs that aim to promote equity in birth outcomes. This may , include March of Dimes programs like Stork’s Nest®, Project Alpha and Becoming a Mom/Comenzando bien®, enhancing services for pregnant women with chronic diseases that increase the risk of premature birth such as diabetes and hypothyroidism and enhancing care through CenteringPregnancy®, a group prenatal care model. To apply, applicants should first obtain the full application, guidelines and required forms. Please click [here](#) for funding information. Proposals must address at least one of the funding priorities mentioned. **Electronic submission responses need to be received no later than 5:00PM EST, August 23, 2013.** For general questions, please contact Heather Butscher at the phone number listed below or Paula Martinez, pmartinez@marchofdimes.com – 972.232.1344.

5. CDC Releases New STD Treatment Mobile App: The CDC recently released an STD Treatment Guidelines mobile app for health care providers. The app allows users to access the most current STD Treatment Guidelines from their mobile device. Features include: diagnosis and treatment of 21 STDs and sexual assault; access to the full STD Treatment Guidelines; and access to "A Guide to Taking a Sexual History." To learn more or download the app, click [here](#). The free app is available for Apple and Android devices. For more information about this application and others ["CLICK HERE"](#)

1. GSK Waiver of Certain Pre-Book Requirements: TACHC received word from GlaxoSmithKline (GSK) in regards to centers who have pre-booked their flu vaccine direct from GSK that GSK is waiving two of the pre-book requirements for FLUARIX, FLULAVAL and FLUARIX QUADRIVALENT. The centers will be able to return up to 25% of the FLUARIX and FLULAVAL and up to 100% of the FLUARIX QUADRIVALENT regardless of when they were ordered. The details are in the first attachment to this email for your review. If you have any questions, please contact your GSK representative or [Lynn Ford](#) at TACHC.

2. HRSA 340B Audit Results: HRSA recently released the summaries of the 16 audits it conducted of 340B eligible entities in 2012. The overview of the audit is in the second attachment to this email for your reference. As you can see, most audits had no findings. A common finding is “incorrect 340B database record”. Please make certain that your center’s information (if applicable, including a retail pharmacy being contracted with) is 100% current and accurate in the OPA’s database at: <http://opanet.hrsa.gov/opa/CESearch.aspx>. It is important to check each of the center’s sites and the 8 tabs at the top that are associated with each site. If a piece of information is not correct, most corrections can be done electronically and easily (those that must be done via paper are listed) at: <http://opanet.hrsa.gov/opa/CRPublicSearch.aspx>.

Recruitment and Retention

TACHC Upcoming Recruitment Activities: In our continuing mission to help promote member health center career opportunities, TACHC recruiting staff will be exhibiting at two provider conferences in **July** and **August**. These will target providers in Family Medicine, Internal Medicine, OB/GYN, Pediatrics, and Psychiatry, as well as Physician Assistants. **Don’t miss this opportunity for us to PROMOTE YOUR JOBS at these events!** Does your center have openings for clinical providers or executive management that you would like us to help you recruit for? Click [HERE](#) and complete the quick and easy online position profile. Contact [April Sartor, Recruitment Dept. Program Assistant](#) at TACHC if you have questions or need assistance.

Subject: Notification of updates in GSK's 2013 Influenza Program

Dear Ms: Lynn Ford

Please be advised that effective July 17, 2013, GlaxoSmithKline is waiving the March 31, 2013 pre-book requirements on FLUARIX (Influenza Virus Vaccine) and FLULAVAL (Influenza Virus Vaccine) and the May 31, 2013 pre-book requirement on FLUARIX QUADRIVALENT (Influenza Virus Vaccine) in order to earn the three percent (3%) 2013 flu advantage discount on these GSK vaccines.

The March 31, 2013 pre-book requirements on FLUARIX and FLULAVAL and the May 31, 2013 pre-book requirement on FLUARIX QUADRIVALENT will also be waived on returns eligibility and Company's Participating Members will be eligible to return up to 25% of their GSK FLUARIX and FLULAVAL Influenza Vaccine doses and up to 100% of their GSK FLUARIX QIV Influenza Vaccine doses regardless of pre-book or purchase date.

Please contact your GSK Account Director or GSK Contract Development Manager if you have any questions. We thank you for your interest in GlaxoSmithKline and for the opportunity to be of service to you.

All other terms and conditions of the Agreement shall remain in full force and effect.

Sincerely,

A handwritten signature in black ink that reads "B-A Adedeji".
